## It is International Gaming Month! Collection Highlight: Board Games

Did you know you can check out games from the library? Our collection boasts 28 games, including family favorites like Clue, Cranium, and Monopoly as well as new and popular titles like Catan, Forbidden Island, and Ticket to Ride. According to Scholastic, board games can help with language skills, focus, fine motor skills, and teamwork, and can even help to reduce anxiety. Games check out for 3 weeks and can be renewed if no one is waiting.

## Volunteers Needed for Yearbook Scanning Project

We are currently scanning local yearbooks to our digital history archive located at:  
<https://wfdha.soutrnglobal.net/Portal>

Please text or call Stacie at 225-245-3753 if you can help us scan (it is super easy) or if you have yearbooks from the John S. Dawson High School or from the Julius Freyhan High School.
