## Nancy Drew: Mystery at Magnolia Gardens, an Immersive Murder Mystery Experience

**Date:** October 11th | **Time:** 6-8 PM

**Register Online:** <https://www.wfplibrary.org/events>

Calling all detectives! Join us for an interactive evening as we dive into "Nancy Drew: Mystery at Magnolia Gardens." Everyone's favorite strawberry-blonde sleuth is in trouble! Nancy Drew, heroine of River Heights, is investigating a poisoning case at the once-peaceful Magnolia Gardens. But before the world's best amateur detective can crack the case, Nancy falls victim to the same poisoner.

In the short window of time before the poison takes hold, Nancy collects all the evidence she has and sends it to you, her loyal apprentice. What she reveals is something truly shocking—it seems that someone at the botanical garden is using the facility's collection of dangerous plants for nefarious purposes.

This immersive murder mystery experience is perfect for ages 14+ and promises an exciting night of sleuthing and surprises. Register in advance, seats are limited!

## Ancestry.com Webinars for Family History Month

### Family Tree Building 101 Webinar by Ancestry.com

**Oct 16, 2024 12:00PM**

This beginner-friendly webinar will guide you through how to enter key family details into your family tree and how to navigate the site to start making family history discoveries. Whether you're starting from scratch or have a few names already, we'll show you how to uncover, organize, and share your family stories with confidence. By the end of this session, you'll have a solid foundation to keep exploring!

### AncestryDNA® 101 Webinar by Ancestry.com

**Oct 23, 2024 12:00PM**

In this introductory webinar, we'll show you how to use your AncestryDNA® results to accelerate your family history discoveries. Whether you're looking to discover new branches of your family tree or understand the science behind your results, you'll walk away with the information you need to make the most of the tools available!

### Ancestry® Search Tips and Tricks Webinar by Ancestry.com

**Oct 30, 2024 12:00PM**

Whether you just started exploring your family tree or you've been at it for a while and have hit the proverbial genealogy brick wall, this webinar will give you practical tools to dig deeper and make meaningful discoveries in your family tree. From simple but effective searches to more advanced tips and tricks, we'll help you track down census records, birth certificates, immigration documents, and more. You'll be telling your ancestors' stories in no time!

"Reading should not be presented to children as a chore, a duty. It should be offered as a gift."

— Kate DiCamillo
