Introducing Haliburton Grizzlekins, Castle Critter and Reading Buddy!

What is a Castle Critter?

Our Castle Critters are a group of cuddly reading buddies your child can borrow from the library for 1 week at a time using their library card. They are much better than elves on shelves and take much less work!

What if my child isn't reading yet?

If your child is just learning their letters and sight words, YOU can read to your child and their critter.

What if I'm not GOOD at reading picture books aloud?

Reading picture books out loud to your kids can feel really strange, especially if you didn't grow up being read to by the grownups in your life! Visit our website at www.wfplibrary.org/critters for links to helpful tips on reading to your child.

What if I don't have time to read to my child every night?

While screens aren't ideal, they can be a lifesaver! We have some FANTASTIC YouTube Channels with picture books
