Improve Your Technology Skills with Northstar Computer Classes

Northstar provides assessments to test your skills and short, slow paced lessons to improve those skills on a number of common computer topics. Northstar is available 24/7 through our website: www.wfplibrary.org

Library staff are available to help with the resource during regular hours. Contact Molly for more information. Scared to do it on your own? **Register by phone (225-635-3364) through the calendar on our website: www.wfplibrary.org** to attend a session guided by one of our staff:

Wednesday, Oct 26, 2pm-4pm: Computer Basics—Assessment & Practice

Thursday, Oct 27, 2pm-4pm: Internet Basics—Assessment & Practice

Baby Monday

Being a new parent can be lonely and exhausting. If you are parenting a baby (birth-24 months) we have a new program for you!

Baby Monday is a monthly free-play hour at the library where babies can explore in a safe environment while parents have a coffee and grownup conversation and learn how to support their child's early literacy skills.

Join us on Monday, Oct. 10 at 9:00am, no registration required.

Stretch Your Grocery Dollars

Join Stacie Davis, Library Director, and Layne Langly, LSU AgCenter Agent, as we present ways to stretch your grocery dollars. We'll cover how to use sales to your advantage, why it's important to know pricing, and how to find budget-friendly recipes. If you have a favorite budget recipe, bring it to share!

Wednesday, October 12th, 5:00-6:15pm
Dinner Provided (Francis Smokehouse)

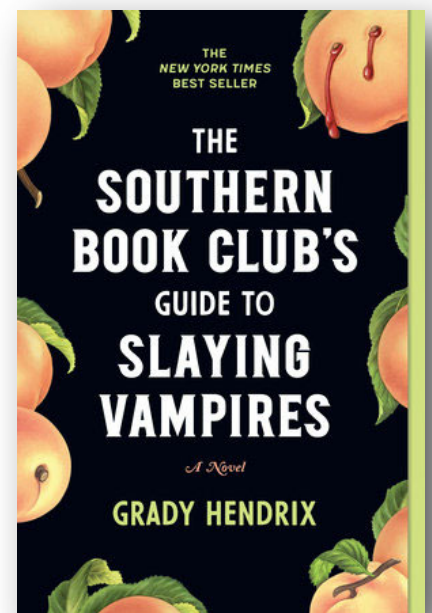

Register by phone (225-635-3364) through the calendar on our website: www.wfplibrary.org
